---

<sup>1</sup> In case the parties to the marriage have different married family names.

<sup>2</sup> The multilingual form is bilingual. In addition to Hungarian, you may choose as many official languages of the Member States as you require for the multilingual form. The multilingual form also contains a glossary of the form headings in the languages of each Member State.

<sup>3</sup> You can apply if you have previously requested to have your nationality name entered in the register.

<sup>4</sup> I have informed the applicant/client that the creation of a false public document, falsification of the contents of a public document, the use of a false, forged or falsified public document or a genuine public document in the name of another person, or the provision of false information concerning the existence, modification or termination of a right or obligation, or a fact or statement in a public document, or the use of a forged, counterfeited or false private document to prove the existence, modification or termination of a right or obligation, shall be considered as forgery of a private document.

<sup>5</sup> Hungarian documents must be attached in photocopies, foreign documents in originals, if necessary with diplomatic over-certification or Apostille certification.
